Citizenship

This month we will continue our year's theme "The Character In My Book" and talk about 'Citizenship.' We will focus our attention on what it means to be a good citizen. We will also talk about different jobs in our community that help citizens of our country. You may notice new lessons and art work related to this topic in your child's classroom.

Friendly Reminders

- Look out for extra curricular activity sign-ups throughout the month of January. You can sign your child up for any extracurricular activity offered to his or her class at the front desk.
- Please be on the look out for update requests in your family folders. Many parents may need to update some medical or personal information in their child's files.
- This time of year tends to be a little chilly. Please make sure your child has as few pairs of weather appropriate clothing in their cubby. We will be going outside everyday, so please ensure your child is dressed for cold days.
